Caratteristiche Tecniche

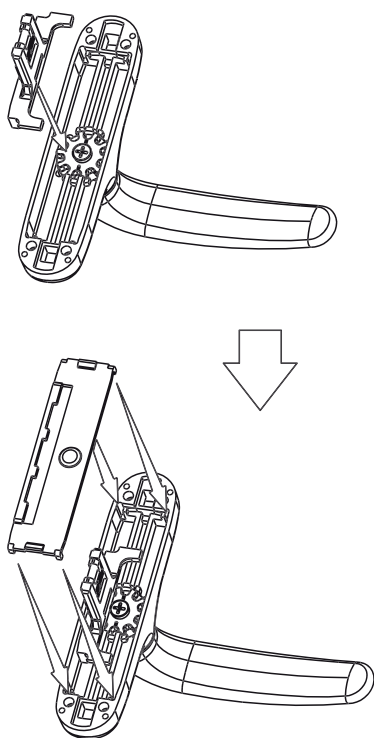

La manovra cremonese UNICA è disponibile in differenti versioni ed è fornita priva dei particolari interni. L'operazione di montaggio degli stessi, contenuti all'interno dei kit di personalizzazione, è demandata al serramentista, ma di semplice e rapida esecuzione.

Tutte le cremonesi Unica hanno interasse di fissaggio 104 mm.

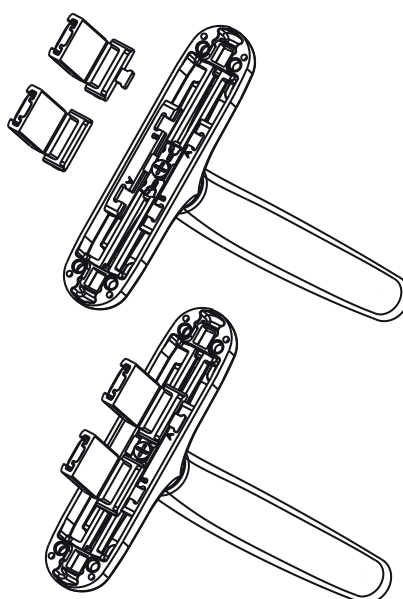

Materiali

- Manico in alluminio pressofuso
- Casse e ingranaggio in zama pressofusa
- Molla in acciaio
- Vite in acciaio zincato
- Rasamento in Hostaform
